Subject: EHSS – North America Business Notice of Change - Pressure Washing

*****NOTICE – This NOC applies to all North America Business facilities and focuses on a new requirement for Pressure Washer Wands minimum length.**

Distro 2 of 2 (GG-9 and above)

EHSS – North America Business Notice of Change (Potash) Pressure Washing	
Program Name:	There is no specific EHSS Potash BU Program that covers Pressure Washers however, this notice applies to all Potash facilities and the use of Pressure Washers.
Effective Date:	8/16/2021
Compliance Due Date:	11/30/2021
Reason for Change:	A safety incident involving injury and the subsequent RCA investigation resulted in this change.
Change Summary:	Pressure Washer wands are required to be a minimum length of 48 inches and be equipped with a mechanical device that can prevent the trigger from being squeezed inadvertently when the device is engaged.
Other Notes:	There is a PowerPoint file (1 slide) attachment as part of this Notice that contains the new safety requirement.
